

## **Papers Presented in National / International Conferences/ Seminar**

Presented a paper entitled **“On some generalized cumulative entropy measures”** at the **National Seminar on Statistical Theory and Applications** organized by the Department of Statistics & Biostatistics, St. Thomas College, Palai, during 15-16 March 2013.

Presented a paper entitled **“On characterization of probability distributions using generalized order statistics”** at the **National Seminar on Recent Trends in Statistics and Related Areas** organized by the Department of Statistics, Calicut University, Calicut during 15-17 March 2012.

Presented a paper entitled **“On generalized order statistics from  $p$ th order exponential distribution and its characterization”** presented in the **International Conference on Statistics and Information Analytics (ICSIA-2012)** organized by the Post Graduate and Research Department of Statistics, Loyola College, Chennai during 25-27 August 2011.

Presented a paper entitled **“On some properties of  $p$ th order exponential distribution using generalized  $(k)$  record values”** at the **National Conference Statistics for Twenty-first Century (NCSTC)** held at the Department of Statistics, University of Kerala during 17-19 March 2011.

Presented a paper entitled **“On some properties of Makeham distribution using generalized record values and its characterization”** at the **International Conference on Actuarial Statistics, Biostatistics and Stochastic Modeling (INCABS-2011)** held in the Department of Statistical Sciences, Kannur University during 10-14 January 2011.

Presented a paper entitled **“On characterization of probability distributions using record values”** at the **International Conference on ‘Mathematical Sciences in Honour of Prof. A. M. Mathai’** organized by the Department of Statistics, St. Thomas College, Palai, Kottayam during January 3-5, 2011.

Presented a paper on **“Recurrence relations for the moments of  $k$ th record values from Gompertz distribution and its characterization”** at the **Seminar on ‘New Trends in Applied Statistical Methodology’** organized by the Post Graduate and Research Department of Statistics, Nirmala College, Muvattupuzha during 25-27 February 2010.

Presented a paper entitled **“On characterization of probability distributions using generalized entropy functions”** in the poster presentation session of Mathematical Sciences section during the **97<sup>th</sup> Indian Science Congress** held at University of Kerala, Thiruvananthapuram from January 3-7, 2010.

Presented a paper entitled **“On Generalized Entropy Functions”** at the **National Workshop on ‘Fractional Calculus and Statistical Distributions’** sponsored by the Department of Science and Technology (DST), Govt. of India, New Delhi at the Centre for Mathematical Sciences, Pala Campus during 25-27 November 2009.

Presented a paper entitled **“On characterization of uniform distribution using reliability concepts”** at the **National Seminar on ‘Recent Trends in Statistics’** held at the Department of Statistics, Nehru Arts and Science College, Kanhangad during 17-19 March 2009.
